## Classroom News

Hello, Parents of Mrs. Jaclyn's Class! This week we welcomed back all of our students to our new school! Zoha, made a safe return from her trip to Pakistan and was happy to see her new school for the first time! We missed her very much!

This week we learned all about the letter "B"! We worked on making the sound /B/ and creating beautiful butterflies, bumble bees, and bunnies! Our students continued to make progress on their learning drills and are doing an awesome job with motor imitations during circle time ☺
