

## Instructions for Using the Interactive Defensive Driver Training Module

Online Defensive Driving Course Study Sheet - [www.losscontrol.com](http://www.losscontrol.com)

Username: mobile training coordinator      Password: learning-tree

- The training will take at least 1 hour
- Click **Driver Training**, then **Online Interactive Driver Training**
- Click on the “next” button after each clip has ended (it will blink red in the bottom right corner)
- Make sure to complete the 20 minute quiz *before* you close out the last clip at the end of the presentation
- If you have to stop the presentation, click “pause” function
- If you need to review any information, click “replay”
