# THE LITTLE TREE

## MS. LAUREN'S, MS. KACI'S, AND MS. PAT'S CLASS!

Happy New Year!!!

We hope that everyone had a wonderful and safe holiday. We are all so excited to get back to school and ready to start teaching your child again. This month we will be learning about winter including learning about the weather, polar bears, penguins, and much more. The students will have the chance to watch crystals grow and even play with "fake" snow.

We are looking forward to a wonderful 2012!!!

### Wish Tree:

We want to thank everyone again for making the wish tree so successful. You helped make many dreams come true by donating items to the tree. I have requested lots of pictures of the students opening up their presents so when I receive them I will certainly pass them on to you. Thank you again!!!
