Sponsorship Opportunities

Dear Friend of Woody's Song:

New statistics indicate that 1 in 110 kids are affected in some form by autism. With an increase in prevalence, parents today worry about autism for their kids. Three years ago Woody's Song opened its doors and the future became a little brighter for 9 children. After three years and a fantastic support from the Mobile community Woody's Song is now making a difference in the lives of 24 students.

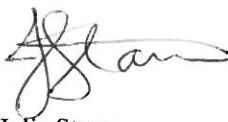

This year Woody's Song is hosting a golf tournament at Azalea City Golf Course on Saturday, October 29th. Funds generated from the event will benefit Woody Song's mission and projects.

We appreciate your consideration of our cause when it comes to your charitable contributions. Your support will help us build on the tremendous success of Woody's Song since its inception, and serve as the essential piece in reaching our goal of \$15,000. We invite you to join us and other local partners as we strive to impact a group of individuals that desperately need our support.

Should you have any questions regarding the event, please contact, Cindy Fulford, at cfulford@voase.org or 251-656-0070

Sincerely,

Cindy Fulford
